BACK

\$15

(This is the money in your **piggy bank**.)

You have the option to transfer all, some or none of your money to the Computer Player.

However much you transfer will be tripled in the Computer Player's account.

NEXT

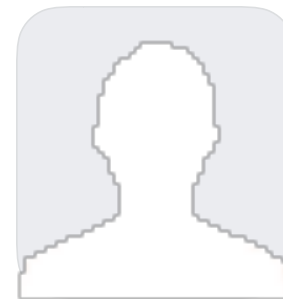

Computer Player

This Player will have the option to give you back all, some or none of your money.
It is completely up to the Player to decide how much he/she wants to return to you.

The money returned to you is what you get back in your piggy bank.

NEXT

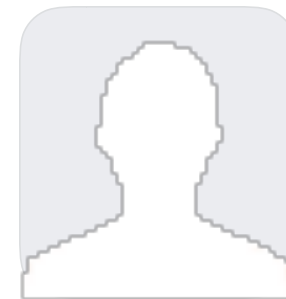

How much (if anything) would you like to give to the Computer Player?

You can transfer any amount in dollars or cents from \$0 to \$15

**This page should function the same way 'Friend in Need' was developed
(you can copy / paste the code to here if you want)*

On a scale of 1-10 (1 being unfair and 10 being very fair) how would you grade
the Computer Player's fairness of the money he/she gave you?
