

OVERVIEW: A random set of shapes will slide onto your screen one after another.

NEXT

GOAL: Click **Yes** or **No** if the current shape matches the one before it.

(Get as many correct as you can before time runs out!)

BACK

NEXT

Example of how the game functions - fast forward to 25 sec: <https://www.youtube.com/watch?v=wg200R5dNyk>

This game should slide Left-to-Right (opposite how they have it)

3/3

GUIDELINES: There is only 1 round for 45 seconds.

This will take about 1 minute to complete.

CLICK TO BEGIN

BACK

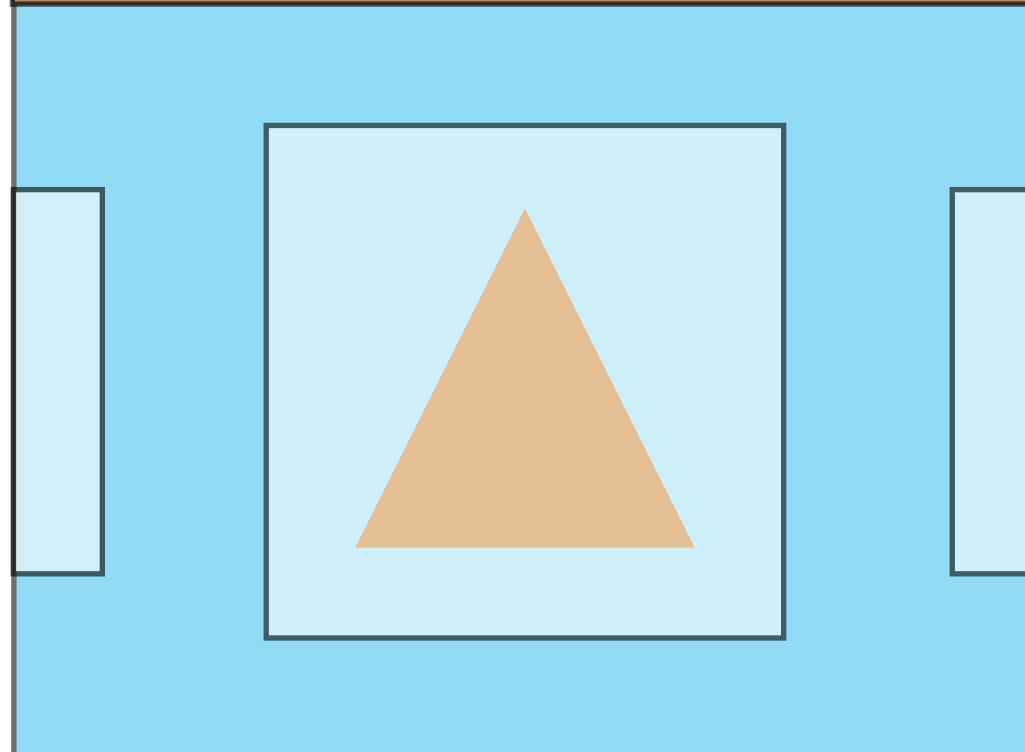

**1 second delay*

**45 second timer*

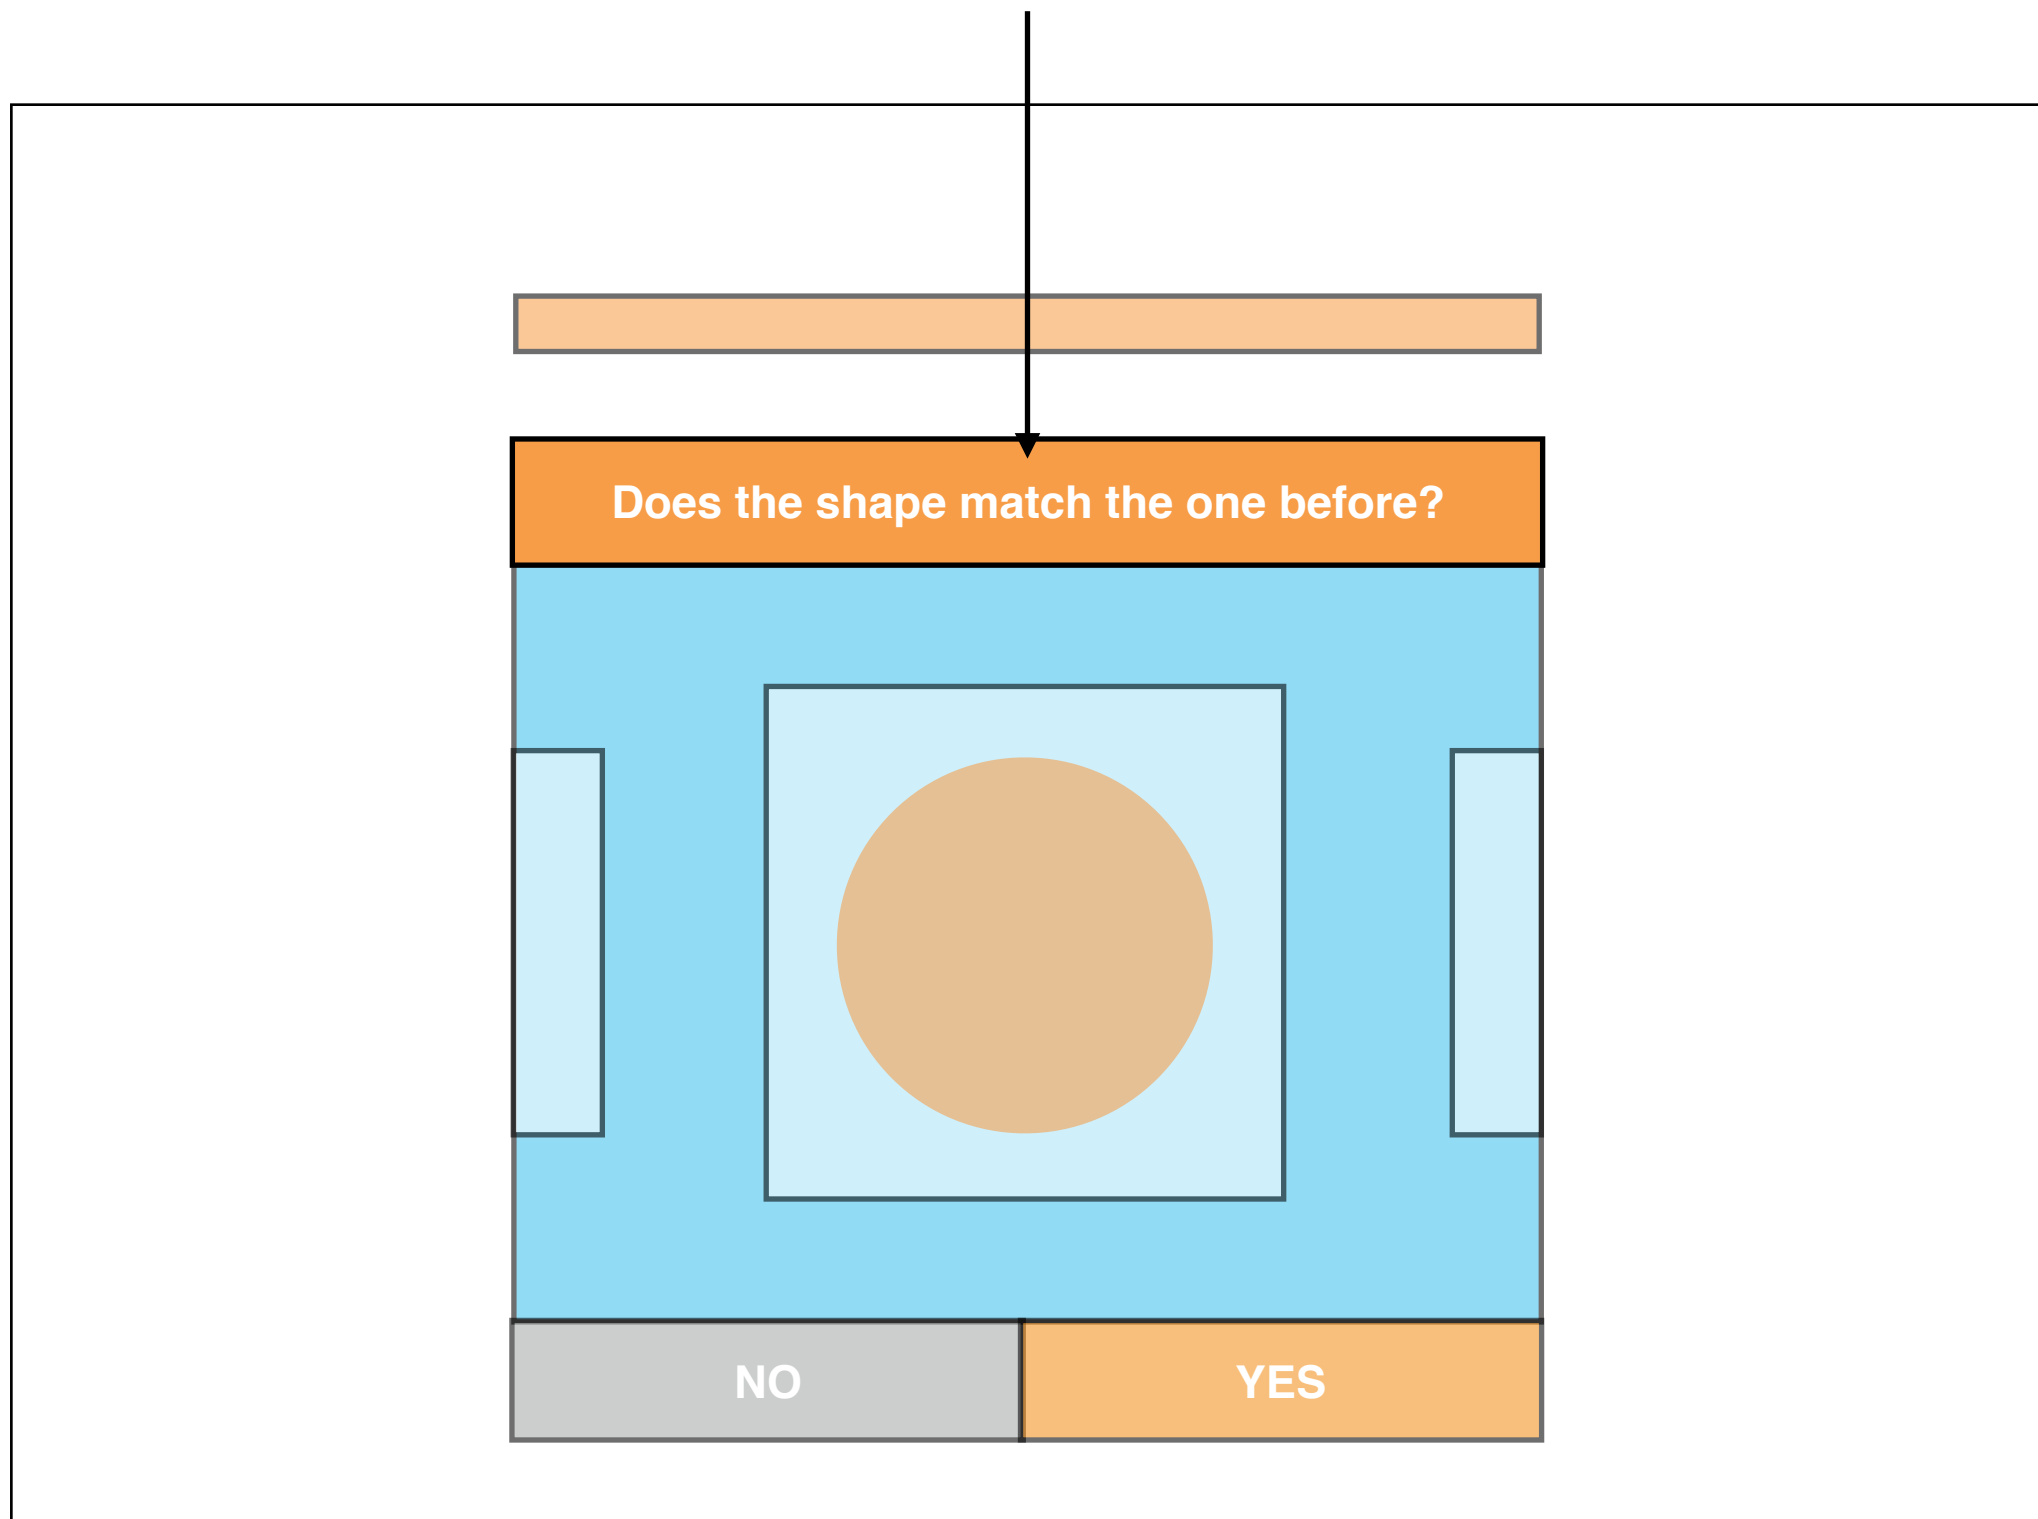

Does the shape match the one before?

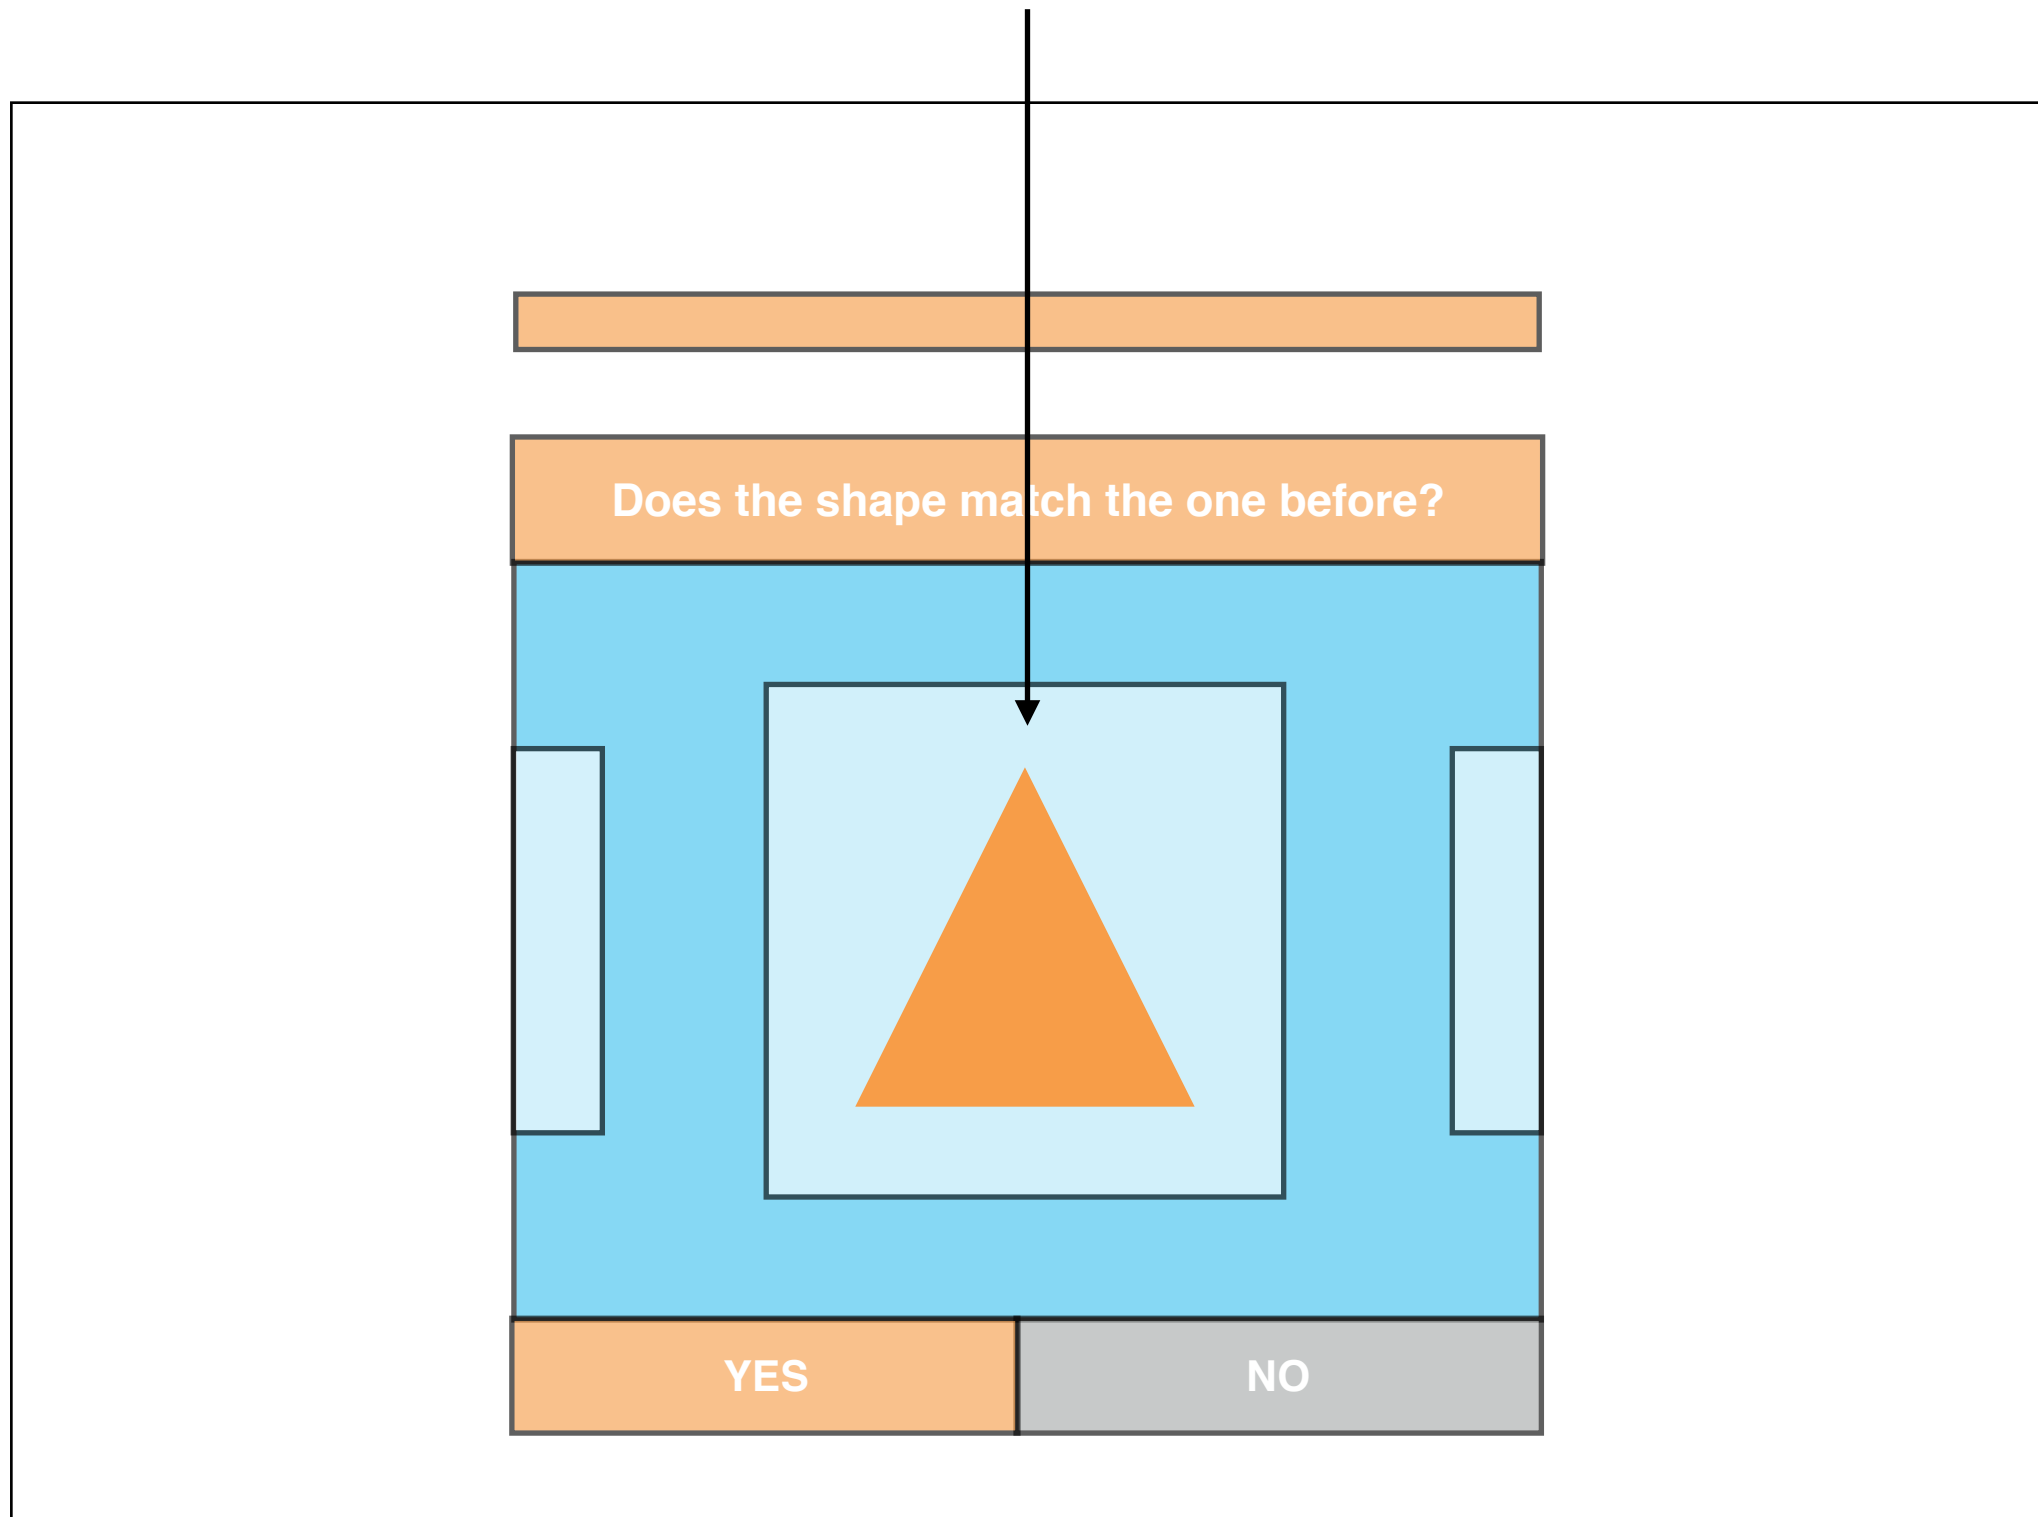

YES

NO

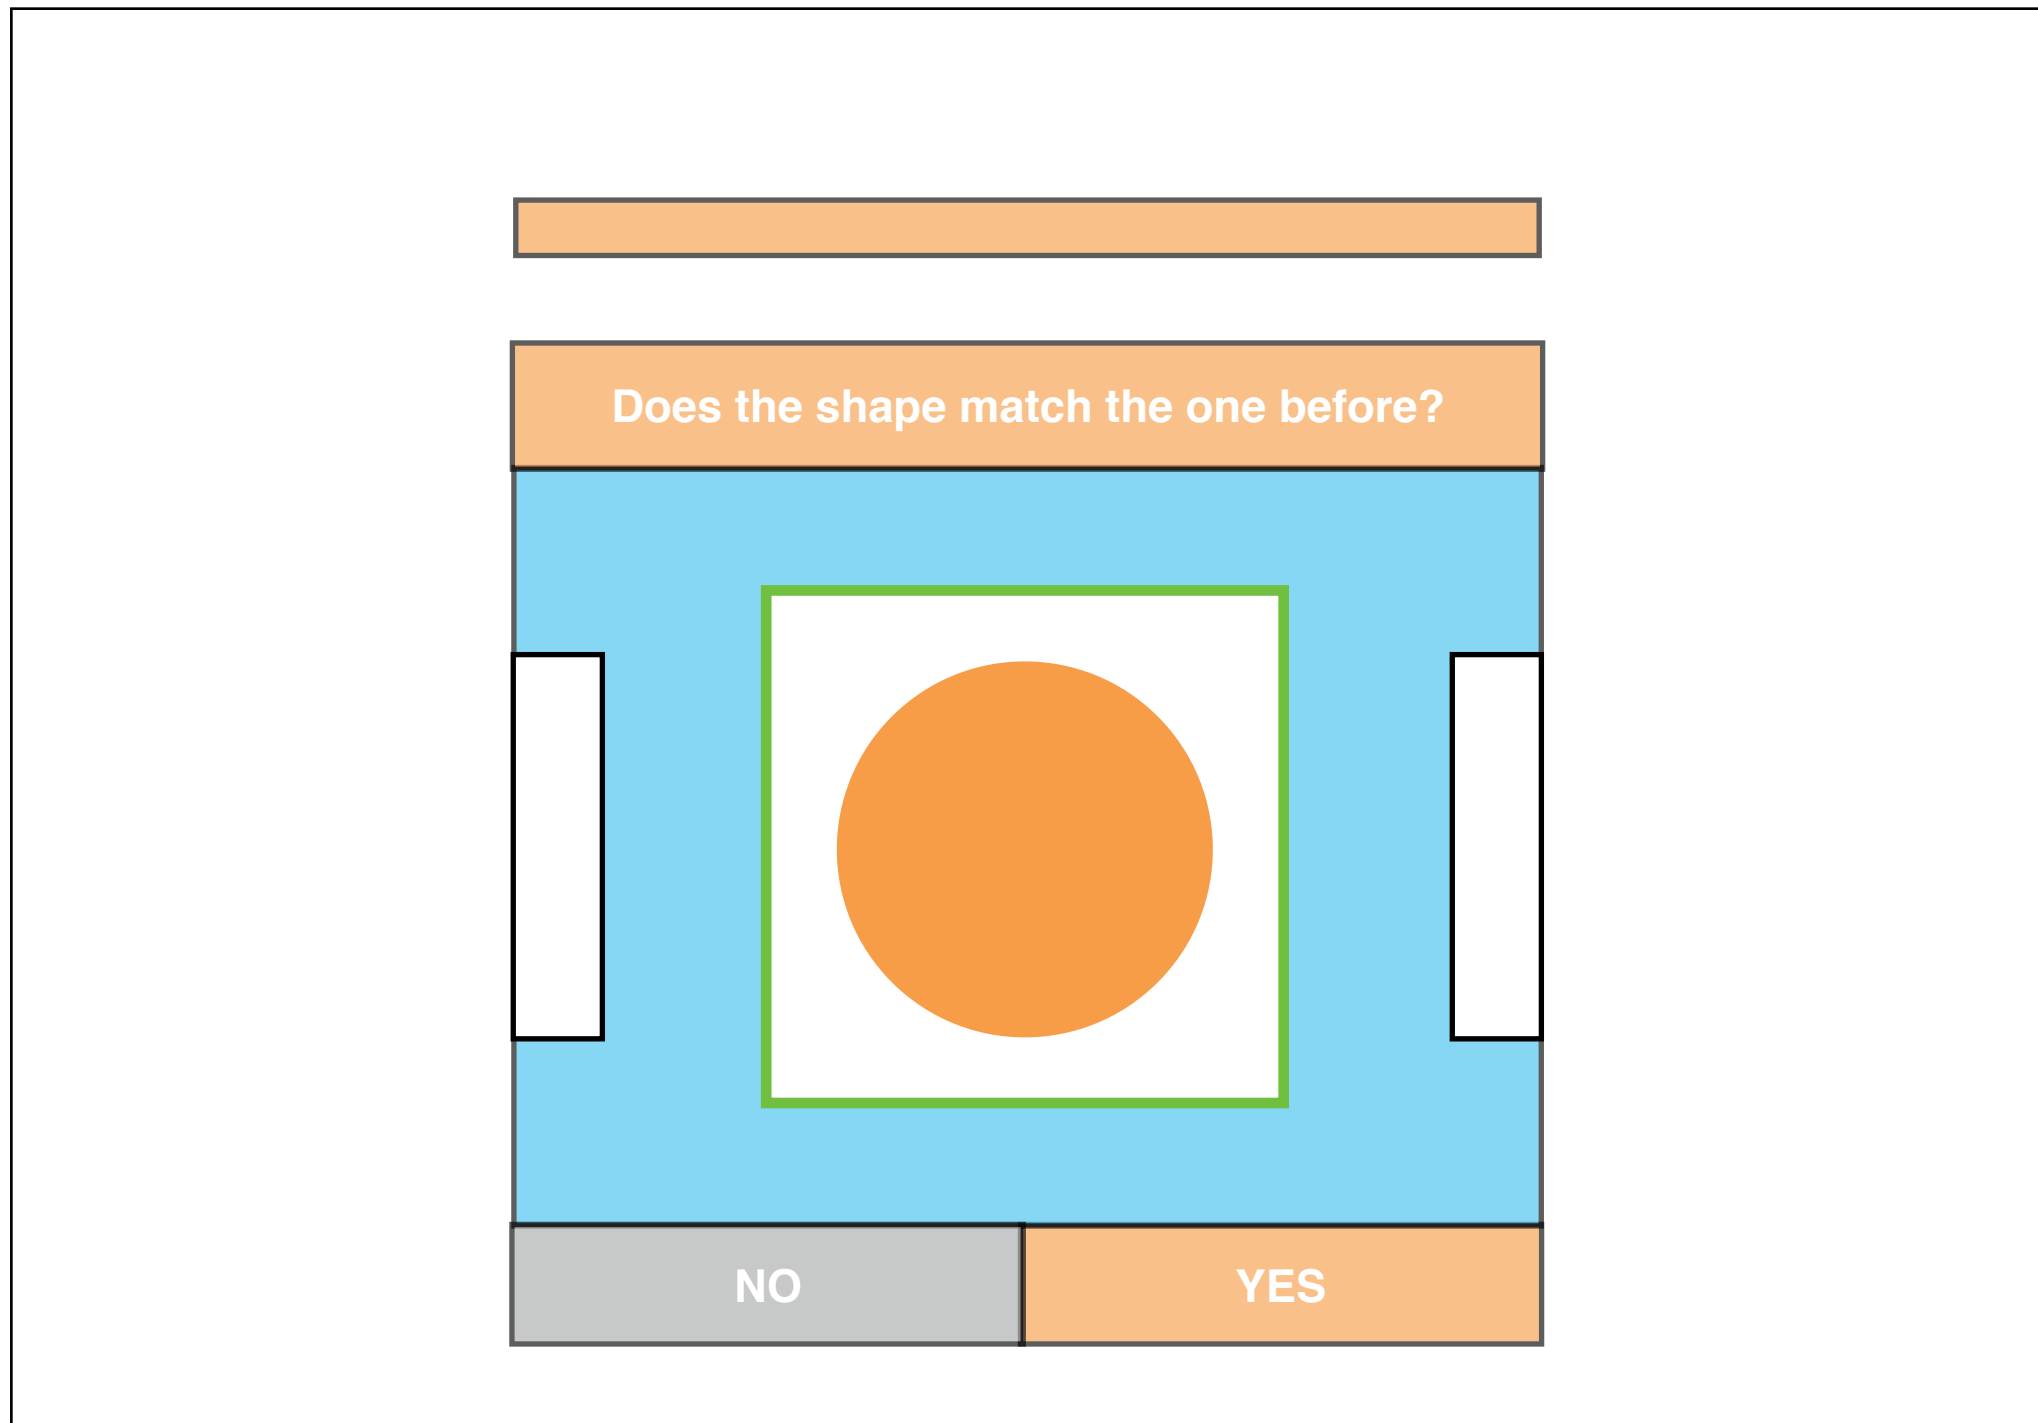

**Instructions should only show for first 3 sequences*

**First 2 shapes should slide automatically, so user has something to compare to (can be the same shape)*

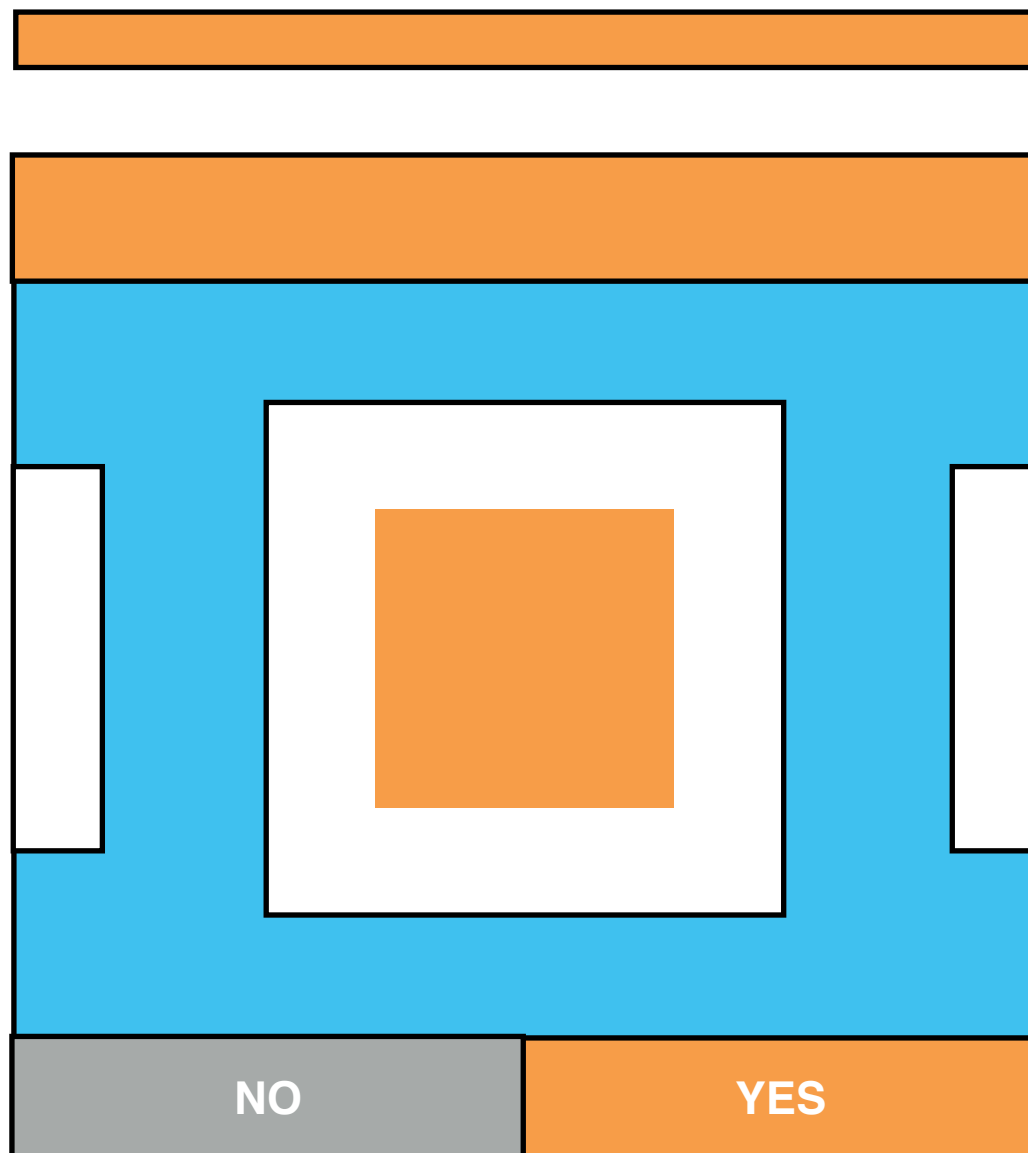

Same border function as in other games: Correct entry = **green*

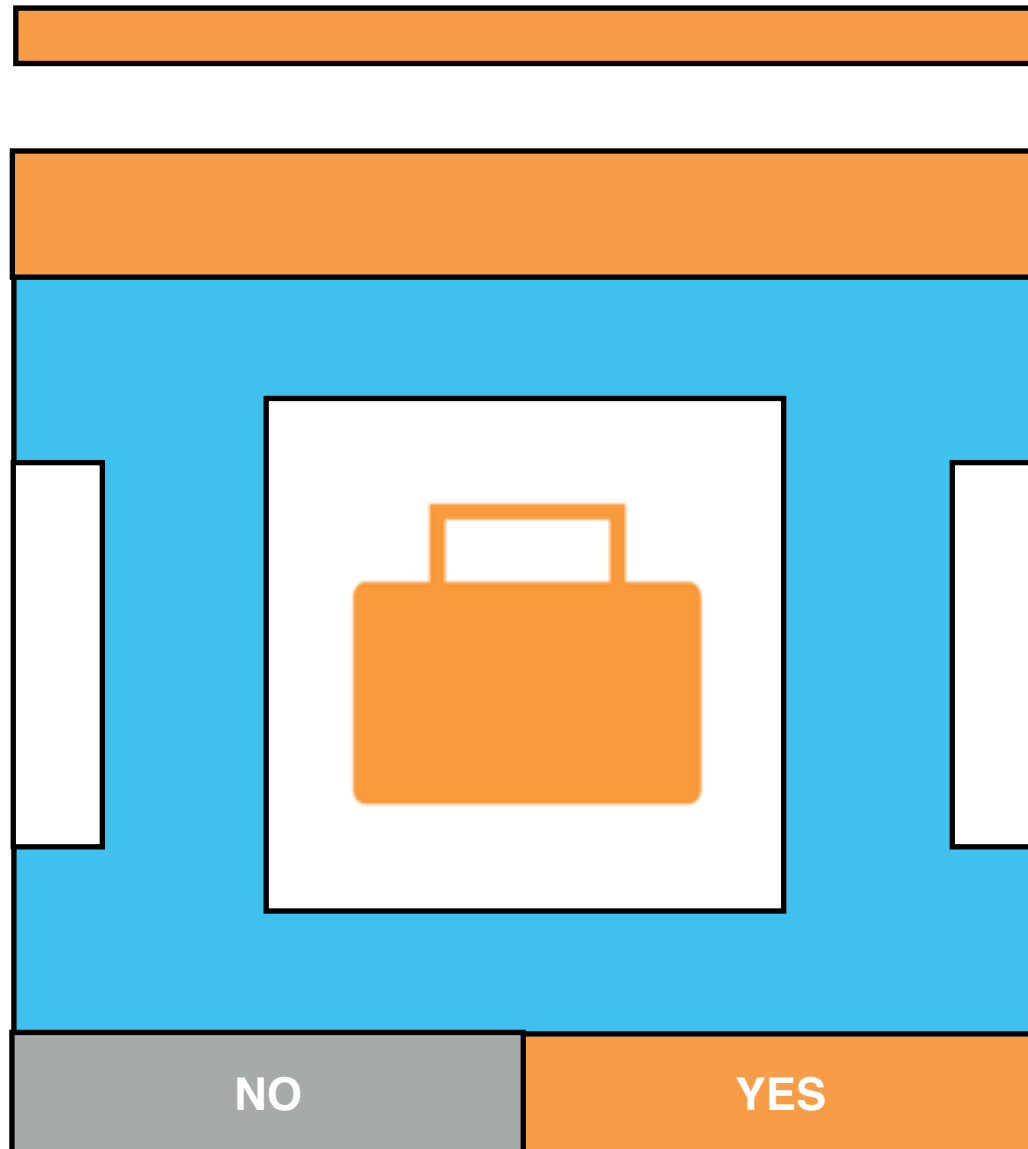

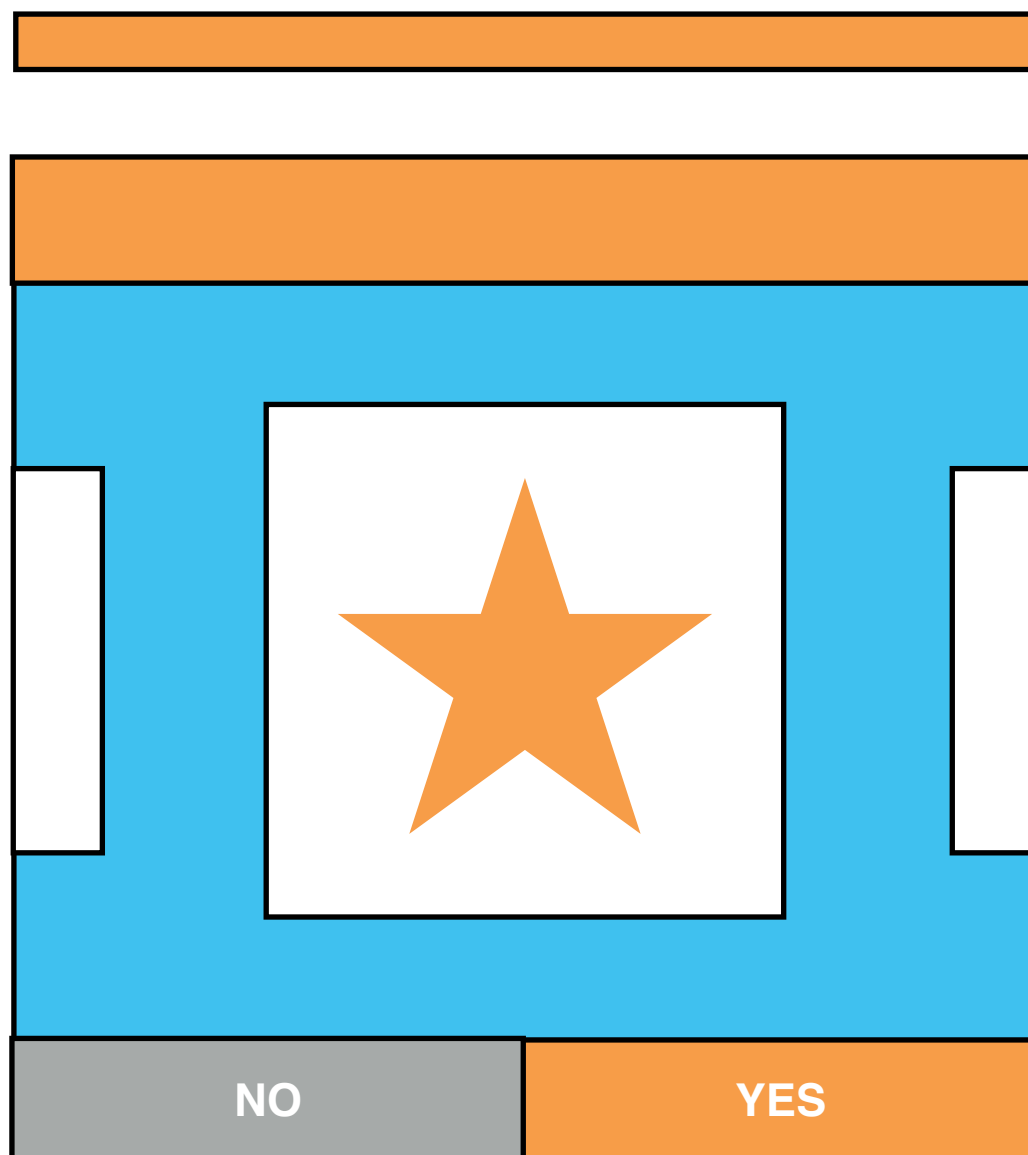

Incorrect entry = **red border.*

Does the shape match the one before?

NO YES

Thanks for Playing!

We measured your **Working Memory**, **Attention** and **2 other traits**.
